The building features a prominent central dome and several smaller domes, all topped with crescent moons. The facade is composed of light-colored panels with dark horizontal stripes. The entrance is characterized by a series of arched doorways and a wide set of stairs. The text "ISLAMIC CENTER OF MELVILLE" is visible on the building's facade. The scene is set in a landscaped area with trees and a parking lot in the foreground. The overall image has a faded, semi-transparent appearance.
